5 July 1956

MEMORANDUM FOR : HQ, USAF
AF CIO-5

ATTENTION : Lt. Col. Leo P. Geary

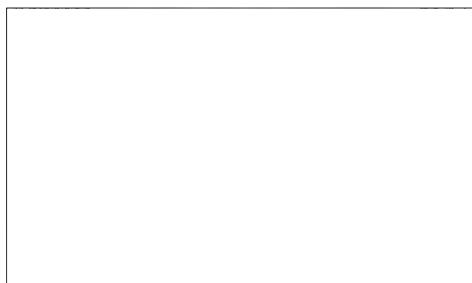

SUBJECT : Clearance of [Redacted] Personnel for Project
Assistance

25X1

1. The Project Director has approved clearing approximately seven Air Force officers and civilians assigned to [Redacted] to assist our project in developing airborne filter equipment and airborne gaseous sampling equipment. [Redacted]

[Redacted] we anticipate making occasional flights to altitude during which we will obtain samples of radioactive debris and occasionally obtaining whole gaseous samples. These samples will be turned over to [Redacted] chemistry laboratories for analysis.

2. Following is a list of those we intend clearing for this work:

25X1

I will inform you when they have been granted clearance and we wish to brief them on the project. As you know, [Redacted] is already cleared and knowledgeable of the project.

25X1
